**A RESOLUTION SUPPORTING THE OHIO MUNICIPAL LEAGUE'S CHALLENGE OF
 AT&T'S TARIFF APPLICATION AT THE PUBLIC UTILITIES COMMISSION OF OHIO,
 AND DECLARING AN EMERGENCY.**

WHEREAS, on December 18, 2024, the Ohio Bell Telephone Company dba AT&T Ohio ("AT&T") filed a Telecommunications Form related to a change in its tariff for "Construction Charges, Relocation of Facilities" with the Public Utilities Commission of Ohio (the "PUCO") in PUCO Case Nos. 24-1123-TP-ATA and 90-5032-TP-TRF (collectively referred to as "AT&T's Tariff Application; and

WHEREAS, AT&T's Tariff Application proposes tariff changes which will require any municipalities in which AT&T is located in the municipality's public right-of-way to pay the full cost of any relocation or undergrounding of AT&T's facilities, regardless of the reason for the relocation. This is in direct contradiction of current Ohio law; and

WHEREAS, AT&T's Tariff Application is subject to a 30-day auto approval process, meaning that if the PUCO does not rule on the application, then the application is automatically approved, and the tariff change becomes effective on the 31st day after the filing of the application; and

WHEREAS, if AT&T's Tariff Application goes unchallenged and becomes automatically effective, municipalities throughout Ohio (and, subsequently, constituents who may or may not be AT&T customers) would be required to pay for any relocation of AT&T's facilities in the public rights-of-way, even if the relocation or undergrounding is required for health, safety or public welfare purposes; and

WHEREAS, any challenges to AT&T's application must be filed prior to January 17, 2025, to allow the PUCO to pause the automatic approval process, allow challengers to be heard through an evidentiary hearing, and consider legal arguments. To challenge AT&T's Tariff Application, an interested stakeholder must file a motion to intervene with the PUCO showing that it has a real and substantial interest in AT&T's Tariff Application and the intervener is so situated that the disposition of the proceeding may, as a practical matter, impair or impede its ability to protect that interest; and

WHEREAS, the Ohio Municipal League has engaged counsel to challenge AT&T's Tariff Application.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Mount Vernon, State of Ohio, that:

SECTION 1: The Mount Vernon City Council finds that AT&T's Tariff Application directly changes and significantly impacts, to detriment to the City how this City manages and administers its public rights-of-way.

SECTION 2: The Mount Vernon City Council hereby authorizes and agrees to participate in and to intervene in the proceeding at the PUCO in order to challenge AT&T's Tariff Application and any subsequent and/or necessary legal, administrative or legislative efforts.

SECTION 3: The Mount Vernon City Council has been advised by the Ohio Municipal League that future financial and/or other support from the City may be necessary to the success of a challenge to AT&T Tariff Application and any related legal, administrative or legislative efforts. The City may take under consideration the specific amount or form of such financial and/or other support from the City at a subsequent meeting of this City Council.

SECTION 4: This Resolution is hereby declared to be an emergency measure for the immediate preservation of the public peace, health and safety, and said Resolution shall, therefore, become effective upon its date of passage and approval by the Mayor, provided that it receives the affirmative vote of two-thirds (2/3) of the members elected to the Council of the City of Mount Vernon; otherwise, it shall take effect and be in force from and after the earliest period allowed by law.

To the Municipal Planning Commission

I am submitting for your review a rezoning of 0 South Main St parcels 66-05624.000, 66-05627.000, 66-05628.000, 66-05629.000. This consists of roughly .75 acres at the southeast corner of the intersection of Parrot St. and South Main St.

The zoning change requested is from R1A to R3. This is to create a pathway for the construction of multi family apartment units on the above property. The total number of units is unclear currently until a site development plan is devised. Upon completion of the zoning change.

The reasons that we feel this would be a good fit are as follows.

- This is a transitional property, as it will act as a buffer between commercial property located to the north (Peppys Pizza) and to the west (Blubaugh's Body and Frame) and residential to the east and south.
- The city is deficient in affordable housing, and this can have a positive impact attracting citizens and new workers to the area.
- It is conveniently located on the south end of town close to the industrial park where most jobs are.

I can be at all meetings to address any questions you may have. Thank you in advance for your consideration.
