REMARKS FROM THE ADMINISTRATION

Mayor Matthew Starr thanked the Police Department and the Knox County Sheriff's Office for its response to a homicide on March 8, 2025. He also thanked Miller for his service on Council; Miller had earlier announced his resignation from Council for personal reasons. The Mayor also apologized for shouting at the February 24, 2025 Council meeting following defeat of legislation to create the position of communications director, and stressed the importance of communication and transparency. Auditor Dan Brinkman noted that his office was able to save \$20,000 in the Law Book Fund by working with the Law Director's office. Law Director Rob Broeren thanked Miller for his service on Council.

REMARKS FROM COUNCIL

Seavolt, Ruckman, Mahan, Severns and Hawkins thanked Miller for his service on Council. Seavolt, Severns and Hawkins thanked the Mayor for his apology for shouting at the February 24, 2025 Council meeting following the defeat of legislation to create the position of Communications Director. Seavolt also thanked the public for their comments on the vote. Severns and Mahan thanked the Police Department for its work responding to a homicide on March 8, 2025. Woods noted that Safety-Service Director Tanner Salyers was in her prayers after he had to leave the meeting for a personal matter, and thanked the Administration for its communication on Ordinance No. 2025-06. Hawkins suggested that residents report potholes to the Street Department. Mahan congratulated Mount Vernon High School's state champion wrestlers and noted his surprise at the defeat of Resolution No. 2025-20, adding that it's important for the City to work with the County. Miller thanked everyone for their well wishes and expressed that he was humbled.

ADJOURN AT THE CALL OF THE PRESIDENT

Seavolt made a motion to adjourn, with a second by Woods. Meeting adjourned at 8:13 p.m.

Cheryl Splain, Knox Pages

The committee discussed Resolution Nos. 2025-27, to advertise for bids and enter into contract for the 2025 street resurfacing, and curb and gutter restoration projects. Engineer Brian Ball detailed the legislation, and was asked how much money was set aside for pothole patching, when the Upper Gilchrist Road/Coshocton Avenue intersection will be improved, and how the City prioritizes which streets will be resurfaced. Ball answered that potholes are addressed through a different fund, that Upper Gilchrist/Coshocton is a separate, larger project, and that streets are prioritized following feedback from the Street Department and Engineering, as well as the chair of the Streets and Public Buildings Committee. No further meetings on the matter were requested. Resolution No. 2025-27 was up for a second reading at Council's Legislative Session later in the evening.

The committee discussed the Knox County Convention and Visitors Bureau's occupancy of the CA&C Depot. The chair noted that organizations occupying City buildings should have contracts to do so. Safety-Service Director Tanner Salyers noted that there is no written agreement between the City and the Knox County CVB regarding the CA&C Depot, but that the City envisions signing a free one-year lease with the CVB, followed by a three-year lease. He added that the City would also like to house its Recreation Director in the depot, and that the City envisions the depot as a welcome center with the CVB and Recreation Director both located there. Salyers added that the depot remains part of the City's contingency plan in the event that offices need to be moved there as the City decides what's to be done with the Plaza Building on North Gay Street. No further committee meetings on the matter were requested.

A RESOLUTION AUTHORIZING THE SAFETY-SERVICE DIRECTOR OF THE CITY OF MOUNT VERNON TO GRANT AN EASEMENT TO THE KNOX COUNTY MEMORIAL BUILDING FOR A SIGN; AND DECLARING AN EMERGENCY.

WHEREAS, Ohio Revised Code Section 723.121 authorizes municipal legislative authorities to convey easements on City property.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Mount Vernon, State of Ohio:

SECTION 1: That Council hereby authorizes the Safety-Service Director of the City of Mount Vernon to grant an easement to the Knox County Board of Commissioners, the owner of record of 112 East High Street, Mount Vernon, Ohio (Parcel 66-50207.000), conveying a perpetual easement for the sign located at that address (see attachment A).

SECTION 2: This Resolution is hereby declared to be an emergency measure necessary for the immediate preservation of the public, peace, health and safety. The reason for the emergency is to allow the County to install an appropriate sign at the property while protecting the City's interest in the adjacent property and said Resolution shall, therefore, become effective upon its date of passage and approval by the Mayor, provided that it receives the affirmative vote of two-thirds (2/3) of the members elected to the Council of the City of Mount Vernon; otherwise, it shall take effect and be in force from and after the earliest period allowed by law.

Executive Summary /

Objective

GrayMatter System will provide professional services to create, install and configure a system to enter Lab Data into the existing GE IFIX SCADA system, storing into the local GE Historian, creating trending and reports from this data. This system will be for the Mount Vernon Water Plant.

Deliverables

Services

GrayMatter Systems will create data Entry Forms, up to ten (10) forms in the GE IFIX SCADA system to enter Lab Data derived from testing of samples in the Mount Vernon Water Plant Laboratory. The programming will be a combination of PLC programming and SCADA programming to allocate the data to registers available in the GE IFIX SCADA system database and logged on a regular basis to the local GE Historian. Once recorded in the Historian, this data will be used to generate up to ten (10) reports using the Sytech XL Reporter Program. The data fields identified are listed below.

1. Water Quality Analysis (Two Hour Samples)
 - a. Clarifier Effluent – pH, P, M OH, Hardness
 - b. Recarbonated – pH, P, M, OH, Hardness
 - c. Finished Water – pH, P, M, OH, Hardness
 - d. CLO2 – Plant Tap
2. Daily Chlorite Analysis (3 Samples per day; 1 sample per shift)
 - a. Reading C x 2
 - b. Reading D x 2
 - c. Reading AVE D - Formula derived from $(\text{Average of D}/200) \times 95.10732 = \text{reading in mg/L}$
 - d. Operator Identifier
 - e. Time\Date Field

3. Chlorine Dioxide By DPD / FAS (Shift Samples)
 - a. Volume of FAS (G)
 - b. Volume of FAS (A)
 - c. Volume of FAS (C)
 - d. Chlorine Dioxide ($1.9 \times G$)
 - e. Free Chlorine ($A - G$)
 - f. Total Chlorine ($C + 4G$)
4. Distribution Chlorine Dioxide By DPD / FAS (Daily Samples)
 - a. Volume of FAS (G)
 - b. Volume of FAS (A)
 - c. Volume of FAS (C)
 - d. Chlorine Dioxide ($1.9 \times G$)
 - e. Free Chlorine ($A - G$)
 - f. Total Chlorine ($C + 4G$)
5. pH Meter Calibration Record (2 x Day)
 - a. Slope
6. pH Linearity Record (Daily)
 - a. Slope
 - b. pH 4
 - c. pH 7
 - d. pH 10
7. Refrigerator Temperature Record (Daily)
 - a. Temperature (Deg C)
8. DI Tank Conductivity (Daily)
 - a. Meter #1
 - b. Meter #2
9. Chemical Feed Totals (Daily)
 - a. Lime
 - b. CO2 Read
 - c. CO2 Daily Usage
 - d. Polymer
 - e. Chlorine
 - f. Chlorite
10. Flow Totals (Daily)
 - a. Raw Flow
 - i. Daily Flow
 - b. Distribution Flow
 - i. Daily Flow
 - c. Sludge Flow to Lagoon
 - d. Pump Hours

Equipment / Materials

GrayMatter Systems will use the existing Plant PLC to store the daily values though manual entry into IFIX database registers. Those IFIX database registers will be historically collected and stored on a permanent basis in the local GE Historian.

Hardware

- The existing lab computer and PLC hardware will be used.

Software

- Mount Vernon to provide Microsoft Excel to view/create reports with the XL Reporter program.
- GrayMatter Systems will procure a new copy of Sytech XL Reporter to use to generate reports.
- The existing GE IFIX SCADA and Historian system will be used.

Project Management

After receipt of order, GrayMatter will assign a dedicated Project Manager to the project. The GrayMatter Project Manager acts as the customer's single point of contact through the duration of the project, ensuring that our team is meeting the customer's expectations for exceptional service and technical expertise.

Once assigned, the Project Manager will work collaboratively with the customer and project team to understand the customer's expectations and requirements, both from a technical perspective and regarding any key critical success factors related to the project (e.g., schedule, business goals, etc.).

Assumptions, Dependencies, Clarifications, Exemptions

- GrayMatter Systems to use the existing PLC and lab computer hardware.
- GrayMatter Systems to use the existing GE IFIX SCADA and Historian software.
- GrayMatter to create up to ten(10) data entry screens using existing data entry forms as reference.
- GrayMatter to create up to ten(10) reports to display the newly created data points using existing reports as a reference.

Client Responsibilities

- Mount Vernon to provide all required descriptions and values needed to create the desired forms and reports.
- Mount Vernon will provide all access needed to SCADA and PLC systems in order to program data into the system.
- Mount Vernon will provide Microsoft Excel to install into a client node in order to create the desired reports.

Documentation

- GrayMatter will create a user manual on data entry procedures and reporting procedures.

Investment

All work shall be performed on a Fixed Bid / Fixed Price basis. See Definitions section below for additional detail on work agreement.

Description	Qty.	Price	Total
Professional Services to create, install and configure and enter manual Laboratory Data creating IFIX screens and excel based reports for use by the Mount Vernon Water Plant staff for reporting. Includes all services, labor, project management, travel time and costs to implement the needed Laboratory Data Entry and Reporting.	1	\$111,760	\$111,760
XL Reporter Ultimate Edition Perpetual	1	\$3,800	\$3,800
Project Total			\$115,560

The prices contained in this Proposal and Statement of Work shall be valid for **ninety (90) days** from the date of receipt, or upon Seller's prior notification of a price change to Purchaser, whichever occurs first. Hardware and software quotes related to this service proposal may have individual expiration dates that will supersede the 90-day proposal expiration.

Schedule

The GrayMatter Project Manager will begin developing a project timeline during the initial planning phase of the project. This project schedule will be discussed and agreed upon as part of the project kickoff process. The project plan developed by GrayMatter is provided for planning purposes only and is subject to change based on new factors that arise during the project. The following factors can affect the timeline and/or cost of the implementation:

- Customer's ability to complete project responsibilities within requested timeline
- Availability of customer dedicated resources
- Deviation or requests for functionality outside the scope of this SOW

Project work schedules are dependent upon the nature of the project and the availability of resources with the required skill set(s). Resources cannot be reserved prior to receipt of a customer purchase order. Standard lead time of 4-6 weeks, after both (1) receipt of PO and (2) scheduled resource call has occurred with requested date of service, to begin active work. Faster start time (2-4 Weeks) or emergency start (Immediate to 2 weeks) may be available for an extra cost. Some earlier start times may be resource dependent and require increased travel costs. GrayMatter will make every effort to provide services in a timely manner to meet the customer's schedule requirements.

For on-site work of any duration and/or for planned work tasks (remote or on-site) of at least five (5) days that are defined in a mutually agreeable project plan, a minimum of **72-working hours' notice** is required for rescheduling the planned work. Seller reserves the right to bill a reasonable and fair amount, as incremental cost, up to ½ project hours, not to exceed 24 working hours and expenses, as applicable, if notice of the requested scheduling change is not received prior to the advance notice window.

Standard Rate Schedule

Standard business hours are Monday thru Friday 6:00AM – 6:00PM (EST):

Normal Non-Business Hour Rates are 1.5x (time outside standard business hours, time more than eight (8) hours during standard working days, and work on Saturday)

Premium Rates are 2x for Premium Overtime (GrayMatter scheduled holidays and Sunday) and Emergency Service within 24 hours (subject to resource availability).

Local Travel is defined as travel within a 50-mile radius of the resource's location. Travel time and expenses for work outside of this radius will be billed at the applicable rate (or charged against the allotted support hours), with expenses billed at cost + 10%.

Invoicing

Work shall be invoiced monthly based on the following milestones:

MILESTONE 1 - Invoice 40% upon receipt of purchase order.

MILESTONE 2 - Invoice 30% upon completion of IFIX screens, IFIX database points and Historian tag creation.

MILESTONE 3 - Invoice 30% upon report completion.

Any Hardware and Software quotes shall be invoiced upon receipt of order. Terms are Net 30 days from the date of invoice from GrayMatter for customers who have an approved credit request.

There will be a surcharge of 3% for accepting credit cards as a form of payment. All first time customers are required to fill out a credit request, and GMS will require that all first orders will need to be processed with a credit card while the credit department determines the credit amount and terms for future orders.

Equipment / Materials

- GrayMatter Systems will use the existing Plant PLC to store the daily values though manual entry into IFIX database registers.

Hardware

- GrayMatter Systems will provide one Dell Micro 7020 computer with UPS and Monitor to use as a client in the Lab for data entry purposes.
- Existing MicroLogix 1400 PLC hardware (Secondary Treatment Building) will be used.

Software

- GrayMatter Systems will procure a new copy of Sytech XL Reporter to use to generate reports.
- Mount Vernon will order new GE IFIX Client Runtime software on GE Quote # BMIQ-01152025-536596.

Project Management

After receipt of order, GrayMatter will assign a dedicated Project Manager to the project. The GrayMatter Project Manager acts as the customer's single point of contact through the duration of the project, ensuring that our team is meeting the customer's expectations for exceptional service and technical expertise.

Once assigned, the Project Manager will work collaboratively with the customer and project team to understand the customer's expectations and requirements, both from a technical perspective and regarding any key critical success factors related to the project (e.g., schedule, business goals, etc.).

Assumptions, Dependencies, Clarifications, Exemptions

- GrayMatter Systems to use the existing MicroLogix 1400 PLC and provide new Dell computer hardware.
- GrayMatter Systems to use the existing GE IFIX SCADA and Historian software.

- GrayMatter will provide the latest version of XL Reporter software.
- GrayMatter to create up to eleven (11) multifield data entry screens using existing data entry forms as a reference.
- GrayMatter to create up to eleven (11) multifield reports to display the newly created data points referencing existing reports.

Client Responsibilities

- Mount Vernon to provide all required descriptions and values needed to create the desired forms and reports.
- Mount Vernon will provide all access needed to SCADA and PLC systems in order to program data into the system.
- Mount Vernon will provide Microsoft Excel to install into a client node in order to create the desired reports.
- Mount Vernon will purchase the GE IFIX Client Runtime software provided under GE Quote # BMIQ-01152025-536596.

Documentation

- GrayMatter will create a user manual on data entry procedures and reporting procedures.

Investment

All work shall be performed on a Fixed Bid / Fixed Price basis. See Definitions section below for additional detail on work agreement.

The prices contained in this Proposal and Statement of Work shall be valid for **ninety (90) days** from the date of receipt, or upon Seller's prior notification of a price change to Purchaser, whichever occurs first. Hardware and software quotes related to this service proposal may have individual expiration dates that will supersede the 90-day proposal expiration.

Schedule

The GrayMatter Project Manager will begin developing a project timeline during the initial planning phase of the project. This project schedule will be discussed and agreed upon as part of the project kickoff process. The project plan developed by GrayMatter is provided for planning purposes only and is subject to change based on new factors that arise during the project. The following factors can affect the timeline and/or cost of the implementation:

- Customer's ability to complete project responsibilities within requested timeline
- Availability of customer dedicated resources
- Deviation or requests for functionality outside the scope of this SOW

Project work schedules are dependent upon the nature of the project and the availability of resources with the required skill set(s). Resources cannot be reserved prior to receipt of a customer purchase order. Standard lead time of 4-6 weeks, after both (1) receipt of PO and (2) scheduled resource call has occurred with requested date of service, to begin active work. Faster start time (2-4 Weeks) or emergency start (Immediate to 2 weeks) may be available for an extra cost. Some earlier start times may be resource dependent and require increased travel costs. GrayMatter will make every effort to provide services in a timely manner to meet the customer's schedule requirements.

For on-site work of any duration and/or for planned work tasks (remote or on-site) of at least five (5) days that are defined in a mutually agreeable project plan, a minimum of **72-working hours' notice** is required for rescheduling the planned work. Seller reserves the right to bill a reasonable and fair amount, as incremental cost, up to ½ project hours, not to exceed 24 working hours and expenses, as applicable, if notice of the requested scheduling change is not received prior to the advance notice window.

Standard Rate Schedule

Standard business hours are Monday thru Friday 6:00AM – 6:00PM (EST):

Normal Non-Business Hour Rates are 1.5x (time outside standard business hours, time more than eight (8) hours during standard working days, and work on Saturday)

Premium Rates are 2x for Premium Overtime (GrayMatter scheduled holidays and Sunday) and Emergency Service within 24 hours (subject to resource availability).

Local Travel is defined as travel within a 50-mile radius of the resource's location. Travel time and expenses for work outside of this radius will be billed at the applicable rate (or charged against the allotted support hours), with expenses billed at cost + 10%.

Invoicing

Work shall be invoiced monthly based on the following milestones:

MILESTONE 1 - Invoice 40% upon receipt of purchase order.

MILESTONE 2 - Invoice 30% upon completion of IFIX screens, IFIX database points and Historian tag creation.

MILESTONE 3 - Invoice 30% upon report completion.

Any Hardware and Software quotes shall be invoiced upon receipt of order. Terms are Net 30 days from the date of invoice from GrayMatter for customers who have an approved credit request.

There will be a surcharge of 3% for accepting credit cards as a form of payment. All first time customers are required to fill out a credit request, and GMS will require that all first orders will need to be processed with a credit card while the credit department determines the credit amount and terms for future orders.

Severns, Ruckman
Category: Streets
Prepared By: Todd Hill
Initiator: Todd Hill
DOC ID: 4208

A RESOLUTION IN SUPPORT OF STATE ISSUE 2, RENEWAL OF THE STATE CAPITAL IMPROVEMENT PROGRAM, ON THE MAY 6, 2025 STATEWIDE BALLOT.

WHEREAS, the State Capital Improvement Program (SCIP) is a state-local government partnership program that funds local infrastructure projects in communities across Ohio; and

WHEREAS, the program has, for nearly 40 years, provided over \$7 billion for improvements to keep Ohio's roads and bridges safe and in good condition for residents, first responders, and all motorists traveling on Ohio roadways, and to improve local wastewater treatment, water supply, and stormwater infrastructure in all 88 Ohio counties; and

WHEREAS, the SCIP provides essential grants, loans and loan assistance to local governments; and

WHEREAS, the renewal of the SCIP will not raise taxes for Ohioans and the renewal is critical to prevent a gap in infrastructure investment, as the current authorization is set to sunset July 1, 2025; and

WHEREAS, funding for the SCIP relies on an amendment to Ohio's Constitution about every 10 years, and has been overwhelmingly approved by voters three times since its creation in 1987; and

WHEREAS, the City of Mount Vernon, Ohio has benefited from the SCIP, receiving \$2.05 million in grant funds for fiscal years 2017-2025, broken down as follows: Stump Street and Northview Drive sanitary sewer and waterline improvements, \$200,000; Fairgrounds Road utilities improvements and resurfacing, \$700,000 awarded, plus a loan of \$2,589,930; West High Street and Sandusky Street improvements, \$364,138; North Main Street and Chestnut Street modifications, \$338,476; South Main Street and Parrott Street intersection improvements, \$450,000; and

WHEREAS, SCIP funds have significantly improved the quality of life and safety for Mount Vernon residents, while infrastructure investment encourages economic development, creates and maintains business, contributes to public health and safety, creates construction jobs and helps keep Ohio competitive.

NOW, THEREFORE, BE IT RESOLVED that the Mount Vernon City Council joins the Strong Ohio Communities coalition in support of State Issue 2 and urges a "yes" vote on Issue 2 on May 6, 2025.

(b) During the winter months between November 15th and the first Monday of April of each year no person shall occupy the Parks specified in subsection (a) hereof between the hours of 7:00 p.m. and 6:00 a.m. of the following day.

(c) As part of regulating a controlled hunt for Canada Geese in Ariel-Foundation Park, the Safety-Service Director, **or Recreation Director** may set the opening and closing hours and restrict access to some or all of Ariel-Foundation Park

SECTION 4: That Section 931.06 of the Codified Ordinances be amended to read as follows:

On the first day of April of each year **Shellmar Park**, Dan Emmett Park, Riverside Park, Phillips Park, Memorial Park, Arch Avenue Park and Hiawatha Park will be officially open for public recreation.

SECTION 5: That Section 931.07 of the Codified Ordinances be amended to read as follows:

931.07 GROUP RESERVATIONS FOR PAVILLIONS AND SHELTERS; FEES.

(a) Pavilions and shelters may be reserved for group use on application through the **Parks and Recreation Department** ~~Park's Office~~. Application must be made through the **Parks and Recreation Department** ~~Park's Office~~ at least twenty-four hours in advance of the date and time of reserved use.

(b) No group or person shall use facilities, which have been properly reserved by application during the period of reservation except the group having made the reservation.

(c) The Board of Control shall, upon the recommendation of the Recreation Director, adopt a schedule of fees to reserve the use of pavilions and shelters within the City's parks.

SECTION 6: That Section 931.08 of the Codified Ordinances be amended to read as follows:

(a) This section applies to all individuals, groups, or organizations, teams and/or churches who wish to utilize the Mount Vernon City recreational softball or baseball fields, tennis courts, or any other athletic facilities. ~~Any of the above individuals reserving these facilities for the purpose of financially benefiting themselves or the sponsor, will pay the rental fees as stated. Sanction fees must also be paid to the appropriate associations. Any of the individuals using the facilities for charity or a nonprofit purpose may be exempted from paying the following fees by action of the City Recreation Board (with the exception of the deposit required). The exemption may be granted for recognized charitable groups and not-for-profit organizations, as outlined in subsection (b)(3).~~

(b) The Board of Control shall, upon the recommendation of the Recreation Director, adopt a schedule of fees to reserve the use of the various recreational facilities within the City's parks ~~following fees will be assessed for use with the above mentioned facilities in Mount Vernon, Ohio:~~

~~—(1) There will be a fee of fifty dollars (\$50.00) for each facility, each weekend. This fee will include the use of all lights and restroom facilities. (This fee is for a tournament consisting of eight teams or more. If there are fewer than eight teams, this fee will be prorated.)~~

~~—(2) There will be a fee of twenty dollars (\$20.00) for a group or organization using one facility (day or night) for any organized activity. This fee also includes the use of lights and restroom facilities.~~

~~—(3) All groups or organizations reserving the a facility are also responsible for their own equipment and general maintenance of the facility at the completion of their reserved time activities. A deposit of twenty-five dollars (\$25.00) will be required to cover any cost of cleaning after a group activity. If the necessary clean-up is not required, the fee will be refunded.~~

~~—(4) In the event of cancellation or cancellation due to inclement weather, the fees paid will be refunded in full.~~

SECTION 7: That Section 931.09 of the Codified Ordinances be amended to read as follows:

The Recreation Director shall adopt regulations for the operation of concession stands within Shellmar Park, Dan Emmett Park, Memorial Park, Riverside Park, Phillips Park and Hiawatha Park excluding Hiawatha Water Park.

~~(a) Regulations as to the operation of concession stands within Dan Emmett Park, Memorial Park, Riverside Park, Phillips Park and Hiawatha Park excluding Community Pool, being recreational parks within the City are as follows:~~

~~—(1) There shall be no more than one concession stand per ball diamond.~~

~~—(2) Concession stands are to be operated only by those individuals involved with a ball league.~~

~~—(3) All profits are to be directed to the Treasurer of the League operating the concession and those profits are to be used in programs.~~

~~—(b) If by May 1st, of any year no individual associated with a ball league commits to operate a concession stand at a ball field, the Safety Service Director shall enter into contract for a period of one year for the operating of a concession stand. The contract shall contain the following provisions:~~

~~—(1) Contract shall be for the duration of one year.~~

~~—(2) Ten percent (10%) of all gross receipts shall be paid to the general fund for the City to be used for park equipment.~~

~~—(c) Exceptions to the above regulations may be granted with the approval of the Recreation Board. Upon the approval of the Board a special permit shall be issued by the Safety Service Director. Such special permit shall be limited to no more than two events per year, per business or individual. Ten percent (10%) of all gross receipts shall be paid to the general fund for the City to be used for park equipment. The ten percent (10%) provision may be waived by the Safety Service Director for non-profit organizations. Such special permits must be displayed during the permitted event.~~

SECTION 8: That Section 931.10 of the Codified Ordinances be amended to read as follows:

Banners, pennants and streamers are not shall only be permitted on the Public Square in conformity with policies adopted by the Safety-Service Director.
