Notwithstanding anything herein to the contrary, Tenant shall be responsible for any and all repairs necessitated by damages caused by Tenant or its invitees.

LANDLORD'S ACCESS TO PREMISES, RE-ENTRY AND DEFAULT

The Tenant will permit the Landlord or its agent to show the premises to persons desiring to rent the same during reasonable hours of the day until rented, and the Landlord or his agent shall also be permitted, at any time during the term hereby created, to visit and examine said premises at any reasonable hour of the day, and commencing 90 days before the end of this lease, the Tenant will permit the Landlord or its agent to place upon the said premises the usual notice of "For Lease", and to remain there without hindrance or molestation until rented.

At the sole option of the Landlord, the Landlord, upon default of the Tenant of any provision of this Lease, may terminate this Lease and declare same to be null and void upon written notice to Tenant. Upon default as provided in this paragraph and the following paragraph, all rent shall immediately become due and payable.

Tenant shall be obligated for payment of all rent, less amounts recovered by Landlord for releasing the premises. Termination of this lease shall not prejudice Landlord's right to action for arrears of rent or any other breach of this lease. Upon default, the remedies provided by this lease shall be cumulative and shall not be exclusive of any right, remedy, or benefit, including those allowed by law.

Upon Tenant's default, Landlord may file a forcible entry and detainer action, or commence self-repossession. Self-repossession shall only occur if the Tenant illegally holds over, or if Tenant has breached a provision of the lease and has been notified in writing of the breach, and is given a reasonable opportunity to correct the breach. Reasonable opportunity to correct for self-repossession purposes only, is 3 days for non-payment of rent, and 15 days for other breaches. If the breach is not corrected within this reasonable time, Landlord shall be permitted to take self-repossession measures, including changing the locks to the premises, removing tenant's property, and selling Tenant's property to cure the default, in addition to any legal remedies provided by law.

If at any time during the term hereby created the Tenant shall be declared bankrupt, or in case the Tenant shall use said premises in an illegal manner, then this lease may, at the option of the Landlord, be declared void, and the same shall be void from the time of the service upon the Tenant of written notice to that effect signed by the Landlord or his agent.

DESTRUCTION OF PREMISES

If during the term of this lease the premises shall be destroyed or damaged by fire or other unavoidable casualty, **not** due to the negligence of the Tenant, its agents, employees, or invitees so that the same shall be thereby rendered unfit for the Tenant in its business, or in case the Tenant shall be prevented from using said premises by reason of any action on the part of city or state officers through no fault, neglect or willful act of its own or its agents, servants or employees, then the rent hereinbefore reserved shall be suspended until the premises are restored to a condition suitable for Tenant's use. In the event of a substantial loss or total destruction of the premises the Landlord shall have the sole option of whether to rebuild or repair the premises and if Landlord elects to not repair or rebuild, this lease shall terminate. In the event that the premises is rendered unusable to the Tenant for a period of time in excess of 90 days, by any loss not caused by Tenant's negligent or willful acts, Tenant shall have the right to terminate this lease.

LIABILITY

The Tenant further agrees to indemnify and save harmless the Landlord from and against any and all claims, liability, damage or loss to person or property which may

arise or grow out of the occupancy of said premises by Tenant, or out of any act of the Tenant and Tenant's employees, agents, invitees or licensees

If the Leased Premises or any other part of the Building is damaged by fire or other casualty resulting from any **act or negligence of Tenant or any of Tenant's agents, employees or invitees**, rent shall not be diminished or abated while such damages are under repair, and Tenant shall be responsible for the costs of repair not covered by insurance.

Landlord shall maintain fire and extended coverage insurance on the Building and the Leased Premises in such amounts as Landlord shall deem appropriate. Tenant shall be responsible, at its expense, for fire and extended coverage insurance on all of its personal property, including removable trade fixtures, located in the Leased Premises.

Tenant and Landlord shall, each at its own expense, maintain a policy or policies of comprehensive general liability insurance with respect to the respective activities of each in the Building with the premiums thereon fully paid on or before due date, issued by and binding upon some insurance company approved by Landlord, such insurance to afford minimum protection of not less than \$1,000,000.00 combined single limit coverage of bodily injury, property damage or combination thereof. Landlord shall be listed as an additional insured on Tenant's policy or policies of comprehensive general liability insurance, and Tenant shall provide Landlord with current Certificates of Insurance evidencing Tenant's compliance with this Paragraph. Tenant shall obtain the agreement of Tenant's insurers to notify Landlord that a policy is due to expire at least (10) days prior to such expiration. Landlord shall not be required to maintain insurance against thefts within the Leased Premises or the Building.

RELOCATION

Tenant acknowledges that it will not be eligible for relocation payments because Tenant did not occupy the premises under prior ownership or tenancy.

NOTICES

Any notice provided for to be given by this instrument shall be deemed properly served on the party to whom it is to be given if the same is sent to said party in a sealed postpaid envelope addressed to said party by registered mail and the time of the mailing of said notice shall be deemed to be the time of its service. Notices to Landlord shall be served at 40 Public Square, Mount Vernon, Ohio 43050, attn. Safety-Service Director. Notices to Tenant shall be served at 148 Mansfield Avenue, Mount Vernon, Ohio 43050 **and** the premises.

BINDING AGREEMENT

It is hereby mutually understood and agreed that this instrument shall apply to and bind the heirs, legal representatives, successors, assigns, or grantees, as the case may be, of each of the parties hereto.

WAIVER

One or more waivers of any covenant or condition by the Landlord or the Tenant shall not be construed as a waiver or a further breach of the same covenant or condition.

APPLICABLE LAW

The terms of this Lease shall be governed by the laws of the State of Ohio and all obligations of the parties created hereunder are performable in Knox County, Ohio. The courts of the State of Ohio located in Knox County, Ohio shall have exclusive jurisdiction over any dispute arising out of this contract. Statement of Proposed Amendment Relation to Comprehensive Plan

The subject property was annexed from Monroe Township to the City of Mount Vernon by Ordinance 2014-20. The parent parcel has three zoning classifications GB, R-1 & PND. It is our intent to rezone only a portion of the site per the meets and bounds description included in this packet. The zoning classification we request to rezone to is R-3 under the City Ordinances, to allow for market rate multi-family apartments. The land uses surrounding the site are A-2 single-family residential, PND multi-family condominium, GB General Business and P-1 Public and Semipublic District. Per the comprehensive land use plan (updated 2018) this area was contemplated as agriculture. As indicated above there are multiple zoning classifications that surround this parcel. The site is generally at the eastern terminus of the commercial corridor and will provide a transitional use from the General Business uses to an R-3 residential use.
