He noted that spot brick repairs have been done on Hamtramck and Burgess streets, while work on North Main Street will be more of a preservation effort. He also noted that South Mechanic Street is in poor shape, but that his department is waiting to see what changes need to be made to underground utilities before beginning work there. In addition, paving has begun in the industrial park. No further meetings were requested on this matter.

The committee discussed how food truck vendors are regulated in the City, and whether additional regulation could be justified. Law Director Rob Broeren noted that these vendors must have a peddler's license to operate in the City, and must comply with zoning regulations that prohibit them from operating in residential areas. Mayor Matthew Starr added that the City is not routinely checking whether food truck vendors operating in the City have a peddler's license. Mahan noted that food trucks serve a need in the community, and Hawkins asked who would enforce additional regulations. The chair requested a 10-minute committee meeting on the matter for Oct. 23, 2023.

Respectfully submitted,

AUTHORIZING AN AMENDMENT TO ORDINANCE 1999-07 TO EXTEND THE TERM OF THE TAX INCREMENT FINANCING PROGRAM FOR THE COSHOCTON AVENUE TIF FOR AN ADDITIONAL THIRTY (30) YEARS PURSUANT TO OHIO REVISED CODE SECTIONS 5709.40(B) AND 5709.51; AUTHORIZING OTHER RELATED ACTIONS PURSUANT TO OHIO REVISED CODE SECTIONS 5709.40(B), 5709.42, 5709.43, AND RELATED LAWS; AND DECLARING AN EMERGENCY.

WHEREAS, on January 25, 1999 this City Council (the “Council”) of the City of Mount Vernon, Ohio (the “City”) adopted Ordinance No. 1999-07 (the “Original TIF Ordinance”) in accordance with Ohio Revised Code (“R.C.”) Section 5709.40(B) declaring the increase in the assessed value of real property that would first appear on the tax list and duplicate of real and public utility property after the effective date of the Original TIF Ordinance (the “Improvements”) with respect to the parcels comprising the “Coshocton Avenue TIF” (each a “Parcel” as is depicted on Exhibit A to the Original TIF Ordinance and as are more fully depicted and described as Exhibit A to this Ordinance) to be a public purpose; and

WHEREAS, the Original TIF Ordinance exempted One Hundred Percent (100%) of the Improvements with respect to each Parcel for a period of up to twenty five (25) years (the “Original TIF Exemption”), commencing on the effective date of the Original TIF Ordinance and ending on the earlier of (a) “the date on which (1) the aggregate of all amounts received the City as Service Payments, and (2) the aggregate amount paid by the City to the School District and the Career Center equals the sum of (i) the aggregate principal amount of all Public Financing; (ii) the Debt Service; and (iii) Issuance Costs,” or (b) “more than twenty-five (25) years from the effective date of this Ordinance;” and

WHEREAS, pursuant to the Original TIF Ordinance and R.C. Section 5709.40(B), the City required the owner or owners of each Parcel to make annual Service Payments (as defined herein) to the Knox County Treasurer on or before the final dates for payment of real property taxes; and

WHEREAS, the City and the Board of Education of the Mount Vernon City School District executed a TIF and Compensation Agreement on January 25, 1999 (the “Original Compensation Agreement”), by which the City agreed to pay to the Mount Vernon City School District, Service Payments (as defined herein) equal to twenty-five percent (25%) of the real property taxes which would have been paid for the Improvements, if the Exemption had not been granted; and

WHEREAS, the Original TIF Ordinance was passed by this Council on January 25, 1999 and prior to changes to R.C. Section 5709.40(D), pursuant to Ohio House Bill No. 153 of the 129th General Assembly and effective September 29, 2011, thus not requiring the City to compensate the

joint vocational school district (here the Knox County Career Center or the “JVSD” and together with the Mount Vernon City School District the “School Districts”) within which the Parcels are located at the same rate and under the same terms as received by the Mount Vernon City School District under the Original Compensation Agreement with respect to the Original TIF Exemption; and

WHEREAS, as adopted by the 135th Ohio General Assembly, pursuant to Amended Substitute House Bill 33, with pertinent provisions effective as of October 3, 2023, R.C. Section 5709.51 has afforded the City and the Council a limited opportunity to extend the Original TIF Exemption for an additional period of not more than thirty (30) years (the “TIF Law Change”), so long as each condition of the TIF Law Change is met; and

WHEREAS, with respect to ordinances adopted under R.C. Section 5709.51 prior to January 1, 2024, including this Ordinance, the TIF Law Change provides for waiver of the requirements of R.C. Section 5709.51(A)(2) otherwise requiring that service payments made pursuant to R.C. Section 5709.42 by the owners of the parcels with respect to such an ordinance did not exceed One Million Five Hundred Thousand Dollars and Zero Cents (\$1,500,000.00) in any calendar year before the calendar year immediately preceding the adoption of such an ordinance; and

WHEREAS, the City has determined that the Service Payments made with respect to the Original TIF Exemption exceeded One Million Five Hundred Thousand Dollars and Zero Cents (\$1,500,000.00) in tax year 2021 payable in calendar year 2022 (which such calendar year is the calendar year immediately preceding the effective date of this Ordinance); and

WHEREAS, the City has determined that each condition of the TIF Law Change is met and this Council is therefore desirous of extending the term of the Original TIF Exemption by an additional thirty (30) years (the “Extended TIF Exemption”) to capture additional tax increment financing revenue to finance the various Public Improvements identified in Section 6 of the Original TIF Ordinance (as the same are further clarified by this Ordinance and its Exhibit B); and

WHEREAS, in order to affect the Extended TIF Exemption, and pursuant to amended R.C. Section 5709.40(D) effective after September 29, 2011, the City is now required to compensate the JVSD with respect to the Extended TIF Exemption, at the same rate and under the same terms received by the Mount Vernon City School District; and

WHEREAS, it is therefore the intention of the City that the Treasurer of Knox County, pursuant to R.C. 5709.42, pay to the affected School Districts all of the taxes that they would have otherwise received if this Extended TIF Exemption were not authorized; therefore, the Treasurer of Knox County shall pay a portion of the Service Payments available after the twenty-fifth (25th) year of the Original TIF Exemption applicable to each Parcel to (i) the Mount Vernon City School District in the amount of the taxes that would have been payable to the Mount Vernon City School District if the Improvements had not been exempted from taxation for all periods after the twenty-fifth (25th) year of the Original TIF Exemption applicable to each Parcel, as provided in this Ordinance, and (ii) the JVSD at the same rate and under the same terms received by the Mount Vernon City School District; and

WHEREAS, pursuant to R.C. 5709.51(A)(3) and R.C. 5709.40(D)(1), the approval of the Board of Education of the Mount Vernon City School District is not required where the Ordinance declaring Improvements to a Parcel to be a public purpose specifies that Service Payments shall be paid to the School Districts in which the Parcels are located in the amount of the taxes that would have been payable to the School Districts if the Improvements had not been exempted from taxation; and

WHEREAS, notwithstanding that the approval of the School Districts is not required, each of the School Districts have received a notice of this Extended TIF Exemption and the proposed text of this Ordinance at least fourteen (14) days in advance of the date on which this Council intends to consider formal adoption of this Ordinance, pursuant to R.C. Sections 5709.40(D)(1) and 5709.83; and

WHEREAS, notwithstanding the Extended TIF Exemption, all other terms and conditions of the Original TIF Ordinance and the Original TIF Exemption are to remain the same, unless specifically stated otherwise in this Ordinance.

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of Mount Vernon, Ohio, by authority of R.C. Sections 5709.40(B) and 5709.51, as follows:

SECTION 1. That this Council hereby determines that each condition of the TIF Law Change required to cause the Extended TIF Exemption is met because: (i) pursuant to R.C. 5709.51(A)(1), the Service Payments made pursuant to R.C. Section 5709.42 by the owners of the Parcels with respect to the Original TIF Ordinance and the Original TIF Exemption exceeded One Million Five Hundred Thousand Dollars and Zero Cents (\$1,500,000.00) for tax year 2021 real property taxes that were payable in calendar year 2022 (which such calendar year is the calendar year immediately preceding the effective date of this Ordinance); (ii) this Ordinance is adopted prior to January 1, 2024 providing for the waiver of the provisions of R.C. 5709.51(A)(2) requiring that Service Payments made pursuant to R.C. Section 5709.42 by the owners of the Parcels with respect to the Original TIF Ordinance and the Original TIF Exemption did not exceed One Million Five Hundred Thousand Dollars and Zero Cents (\$1,500,000.00) in any calendar year before the calendar year immediately preceding the adoption of this Ordinance; and (iii) pursuant to R.C. 5709.51(A)(3), this Ordinance provides for compensation to the School Districts in which the Parcels are located equal in value to the amount of taxes that would be payable to the School Districts if the Improvements had not been exempted from taxation but for the Extended TIF Exemption.

SECTION 2. That in accordance with R.C. Section 5709.40(B), this Council hereby declares that Improvements to the Parcels subsequent to the effective date of the Original TIF Ordinance were at the time of the Original TIF Ordinance and remain as of the date of this Ordinance a public purpose and that the Original TIF Ordinance authorizing the Original TIF Exemption, under the authority of R.C. Section

5709.40(B), is hereby amended pursuant to R.C. 5709.51 for the purpose of extending the Original TIF Exemption from taxation of the Improvements to the Parcels designated under the Original TIF Ordinance for an additional period of not more than thirty (30) years according to the requirements set forth under the TIF Law Change.

SECTION 3. That notwithstanding anything in the Original TIF Ordinance, this Council reaffirms and clarifies that:

(a) the Original TIF Ordinance and this Ordinance authorize the Original TIF Exemption and the Extended TIF Exemption, respectively, as tax increment financing programs under R.C. Section 5709.40(B); and

(b) the Public Improvements described in Section 6 and Exhibit B of the Original TIF Ordinance that, once made, will directly benefit the Parcels include, but are not limited to, those Public Improvements described in the Original TIF Ordinance, as the same are further amended and clarified in Exhibit B attached hereto; and

(c) as provided in R.C. Section 5709.42, for the effective duration of the Original TIF Exemption and the Extended TIF Exemption, the owner of any portion of any Parcel shall be required to, and shall make, Service Payments with respect to the Improvement allocable thereto to the Treasurer of Knox County on or before the final due dates for payment of real property taxes; that each Service Payment shall be charged and collected in the same manner and in the same amount as the real property taxes that would have been charged and payable against such Parcel as if it were not exempt from taxation pursuant to the Original TIF Ordinance and this Ordinance; that if any reduction in the levies otherwise applicable to such Parcel is made by the Knox County budget commission under R.C. Section 5705.31, the amount of the Service Payments shall be calculated as if the reduction in levies had not been made; that any late payments shall be subject to penalty and bear interest at the then current rate established under R.C. Sections 323.121(B)(1) and 5703.47, as the same may be amended from time to time, or any successor provisions thereto (the “Penalties and Interest”); that each owner shall make any other payments in respect of such parcel which are received by the Treasurer of Knox County in connection with any reduction required by R.C. Section 319.302, as the same may be amended from time to time, or any successor provisions thereto (the “Property Tax Rollback Payments,” together with the Service Payments, and the “Penalties and Interest,” are collectively referred to herein as the “Service Payments”); and that the Service Payments shall be allocated and distributed in accordance with Section 4 hereof; and

(d) the term and percentage rate of the Extended TIF Exemption for each Parcel shall be One Hundred Percent (100%) of the Improvements and shall be exempt from taxation commencing for each Parcel on the twenty-fifth (25th) anniversary of the commencement date of the Original TIF Exemption (as described in the

Original TIF Ordinance) applicable to each Parcel and ending on the earlier of (A) the fifty-fifth (55th) anniversary of the commencement date for each Parcel or (B) the date on which the cost of the Public Infrastructure Improvements are paid in full from the TIF Fund (as defined herein).

SECTION 4. This Council established, pursuant to the Original TIF Ordinance and in accordance with the provisions of R.C. Section 5709.43, a Municipal Public Improvement Tax Increment Equivalent Fund (the “TIF Fund”), which shall continue to be maintained with respect to the Extended TIF Exemption. The City Auditor may create one or more accounts or sub-accounts within the TIF Fund as appropriate to distinguish the Service Payments received with respect to the Original TIF Exemption authorized pursuant to the Original TIF Ordinance and the Extended TIF Exemption authorized pursuant to this Ordinance, and to distinguish such Service Payments from Service Payments with respect to any tax increment financing programs that may be established by the City in the future, and as are necessary to account for payment of the costs of the Public Infrastructure Improvements, including any reimbursement payments for the reimbursement of the costs of the Public Infrastructure Improvements and debt service on, and other expenses relating to the issuance of, any bonds, notes, or other obligations issued to finance the Public Infrastructure Improvements. As used in this Ordinance, “the TIF Fund” shall refer to the specific fund or account that receives the Service Payments provided for in the Original TIF Ordinance and this Ordinance. The TIF Fund shall be maintained in the custody of the City and shall receive all distributions of Service Payments required to be made to the City.

Pursuant to R.C. 5709.42, the Treasurer of Knox County shall distribute Service Payments in the TIF Fund first to the School Districts, in an amount equal to the amount of real property taxes (including the applicable portion of any Property Tax Rollback Payments) derived from the Improvements that the School Districts would have received had the Improvements not been exempt from taxation pursuant to, and only pursuant to, the Original TIF Ordinance and this Ordinance. The City, at any time following payment of such funds as are required to be paid to the School Districts, shall use (a) Service Payments received with respect to the Original TIF Exemption, and (b) Service Payments received with respect to the Extended TIF Exemption solely for the purposes authorized under R.C. Sections 5709.40, 5709.42, 5709.43, including, but not limited to, paying any costs of the Public Infrastructure Improvements, in a manner that is consistent with the Original TIF Ordinance and this Ordinance.

For purposes of the Original TIF Ordinance and this Ordinance, “costs” of the Public Infrastructure Improvements payable from the TIF Fund shall also include the items of “costs of permanent improvements” set forth in R.C. Section 133.15(B), and incurred with respect to the Public Infrastructure Improvements, which “costs” specifically include any reimbursement payments for the reimbursement of the costs of the Public Infrastructure Improvements and

debt service on any bonds issued to finance the Public Infrastructure Improvements. The TIF Fund shall remain in existence so long as such Service Payments are collected and used for the aforesaid purposes, after which time the TIF Fund shall be dissolved and any surplus funds remaining therein shall be transferred to the City's General Fund, all in accordance with R.C. Section 5709.43(D).

Service Payments received by the City in any year shall be applied to pay the costs of the Public Infrastructure Improvements at the sole discretion of the City.

SECTION 5. This Council hereby finds and determines that notice of this proposed Ordinance has been delivered to all affected School Districts, including the Mount Vernon City School District and the JVSD in accordance with R.C. Sections 5709.40 and 5709.83, and hereby ratifies the giving of that notice.

Pursuant to R.C. Section 5709.40(I), the Clerk of this Council is hereby directed to deliver a copy of this Ordinance to the Director of the Department of Development of the State of Ohio within fifteen (15) days after its adoption. On or before March 31 of each year that the Extended TIF Exemption remains in effect, the County Auditor or other authorized officer of this City shall prepare and submit to the Director of the Department of Development of the State of Ohio the status report required under R.C. Section 5709.40(I).

SECTION 6. In accordance with R.C. Section 5709.832, this Council hereby determines that no employer located on the Parcels subject to the Extended TIF Exemption shall deny any individual employment based solely on race, religion, sex, disability, color, national origin, or ancestry.

SECTION 7. The City has created the Mount Vernon Tax Incentive Review Council (the "TIRC") with the membership of the TIRC constituted in accordance with R.C. Section 5709.85. The TIRC shall, in accordance with R.C. Section 5709.85, review annually all exemptions from taxation resulting from the declarations set forth in this Ordinance and any other such matters as may properly come before the TIRC, all in accordance with R.C. Section 5709.85.

SECTION 8. It is hereby found and determined that all formal actions of this Council concerning and relating to the passage of this Ordinance were taken in an open meeting of this Council, and that all deliberations of this Council and any decision-making bodies of the City that resulted in such formal actions were in meetings open to the public and in compliance with all legal requirements of R.C. Section 121.22.

SECTION 9. That this Ordinance is hereby determined to be an emergency measure necessary for the immediate preservation of the public peace, health and safety, and for the further reason that an emergency exists in the usual daily operation of

the various departments of the municipal government and said Ordinance shall, therefore, become effective upon its date of passage and approval by the Mayor, provided that it receives the affirmative vote of two-thirds (2/3) of the members elected to the Council of the City; otherwise its shall take effect and be in force from and after the earliest period allowed by law.
