Mayor Starr noted that the city is needing to make a lot of updates to old systems. He encouraged both administration and Council to dig in and finish strong through the rest of the year. He noted that the Veteran's Day ceremony on Nov. 11 had been moved indoors.

Safety Service Director Salyers noted that spreadsheets had been shared with council regarding budget appropriations. Appropriation meetings will be scheduled individually. There will be an all-Council work session on Nov. 17th for the budget. That meeting will occur directly after a special meeting, starting at 6:30 p.m. Salyers noted that the goal is to be conservative with the budget and under-appropriate, given the forthcoming projects and potential debts the city will be taking on.

REMARKS FROM COUNCIL

Severns noted that there are millions of dollars to approve in pending legislation, and that is a significant responsibility.

Mahan wished President Hawkins a happy birthday. He noted that it was also the 250th birthday of the Marine Corps. He wished all a Happy Veteran's Day, and gave a shout out to Kevin Henthorn.

Seavolt wished President Hawkins a happy birthday. She encouraged all veterans to get a free breakfast on Veteran's Day.

Hawkins noted that John Francis, who served on Council for many years, is in the hospital, and asked that we keep Mr. Francis in our prayers. He also noted that the Christmas Parade is coming on Nov. 30.

ADJOURN AT THE CALL OF THE PRESIDENT

Seavolt made a motion to adjourn. Woods seconded. Meeting adjourned by unanimous voice vote at 8:10 p.m.

Wastewater treatment plant contract with Kokosing Industrial Inc.

Safety Service Director Salyers presented on the project, saying it meets state and federal requirements, ensures phosphorous removal, improves solids handling, and allows for modular expansion. Current waste water treatment plant is aging and cannot meet present requirements. Some of its parts are no longer produced. WPCLF loan windows are competitive, which is why delaying the project would be inadvisable. The project has two phases. 1) upgrade of necessary systems. 2) design controls for future growth. There will be a dedicated project webpage to communicate regular updates. Project estimated to be around \$46 million.

Hawkins asked what we are doing to make sure we aren't treating water we don't need to?

Aaron Reinhart, Public Utilities Director, said that Project H2O has water meters that will help the city discern where water seepage is occurring. Then those pipes can be smoked to identify needed repairs.

Woods asked if Kokosing's fee of 4.5% will increase if the overall cost of the project increases.

Arcadis representatives confirmed that the 4.5% fee would be taken out of whatever the overall cost of the project is. However, they find it unlikely that the final cost will be drastically different from what is currently projected.

Law Director Broeren clarified that the legislation attached to this matter is not to approve the expenditure of \$46 million—that final approval will come later. Rather, this approves the Safety Service Director to enter into an initial contract with Kokosing.

Respectfully submitted,

APPENDIX C CHANGE ORDER POLICY

This change order policy is intended to reflect the increased cost of changes which result in delayed deliveries, confused paperwork, poor production flow and increased potential of trucks being built to incorrect specifications. With your cooperation, changes can be kept to a minimum which means we will be able to reduce lead times, increase production and maintain costs which will benefit all of us.

Our objective is accurate, high quality and on-time deliveries exceeding our customer expectations.

Changes any time after the order is received may delay the quoted delivery date. Significant design or component changes will have the largest impact on the schedule and quoted delivery date. Changes that occur later in the process will also have the largest impact on the schedule and quoted delivery date.

All time fences are reference to contract execution date if not otherwise stated.

Change Window #1

All changes will be priced at standard pricing and specials will be priced through our normal process. Significant changes made to the vehicle during this time period may result in a delivery extension.

RBM Chassis	0-60 days
RBA Aerial	0-60 days
Rosenbauer Body	0-60 days

Change Window #2

All changes are subject to a 25% mark-up. All changes are subject to factory review and may be denied due to engineering or lead time issues.

RBM Chassis	61-75 days
RBA Aerial	61-75 days
Rosenbauer Body	61-120 days

Change Window #3

All changes are subject to a 50% mark-up, and 50% restocking fee on deleted items. All changes are subject to factory review and may be denied due to engineering or lead time issues. No major components can be changed at this time; major components are considered engine, transmission, axles, suspension, cab, frame (wheelbase), seats, water pump and water tank.

RBM Chassis	76-120 days
RBA Aerial	76-120 days
Rosenbauer Body	121-180 days

Change Window #4

Changes are not recommended at this time. Any changes requested will be priced on a time and material basis. Any changes requested, and that are quoted to the customer, must be approved by the customer within three days or they will not be valid.

RBM Chassis	After 120 days
RBA Aerial	After 120 days
Rosenbauer Body	After 180 days

**Note: Any late change orders that are factory driven will be done at cost and no additional mark up or penalties will apply.*

INFLATIONARY NOTICE

Due to unprecedented volatility with inflationary pressures in our economy and existing market demand creating substantial production backlogs, Rosenbauer America reserves the right to potentially request price escalation under this contract. To be fair and reasonable, any potential price escalation request will be presented and supported with specific evidence of supply chain cost increases from material or component providers. Upon request, this may include copies of invoices from relevant suppliers to substantiate accordingly. Any request will be done in a timely manner for careful review and consideration.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Mount Vernon, State of Ohio:

SECTION 1: That the Safety-Service Director for the City of Mount Vernon be and herewith is authorized and directed to enter into an agreement to acquire, by either purchase or accept by donation, either in whole or in part, the following property located in the City of Mount Vernon: 200 Mansfield Road, with permanent parcel number: 66-09852.000.

COMMENTS - Current Meeting:

Resolution 2025-123 was added to the agenda following the executive committee meeting earlier that same day. Severns made a motion to suspend the rules and take Resolution 2025-123 to its third and final reading. Ruckman seconded. Rules suspended by unanimous roll call vote. Severns made a motion to adopt Resolution 2025-123. Ruckman seconded. Mayor Matt Starr noted that the property being acquired is next to a problematic intersection on Fairgrounds Rd. The street is a dogleg, which creates a bottleneck. Acquiring this property will allow the city to rework the roads in that area to bring them up to city code and ease traffic problems. Severns noted that based on how the sidewalks are laid out, it will increase pedestrian safety too. Adopted by unanimous roll call vote.

WHEREAS, projected capital needs, inflationary costs, and regulatory requirements necessitate a multi-year rate adjustment to sustain and improve the wastewater system; and

WHEREAS, Council acknowledges the corresponding need for incremental water rate adjustments to maintain adequate operational revenues and reserves within the water fund; and

WHEREAS, Council acknowledges that the Safety-Service Director will implement corresponding seven percent (7%) increases to all base and volumetric water rates according to the same schedule as established in Section 1 of this ordinance, during the first billing cycle of the second quarter of 2026, 2027, and 2028, pursuant to the authority granted under existing ordinances governing water system administration; and

Effective April 1, 2027: \$9.19

Effective April 1, 2028: \$10.20

WHEREAS, pursuant to the CRA Legislation, the City and the Developer desire to formalize their agreement with respect to matters hereinafter contained; and

WHEREAS, the Project Site is located in the Mount Vernon City School District (the “School District”) and the Knox County Career Center Joint Vocational School District (the “JVSD”), and the board of education for each of the School District and the JVSD (each a “Board of Education” or collectively, the “Boards of Education”) have been notified of the proposed approval of this Agreement in accordance with R.C. Section 5709.83, or has waived such notice, and has been given a copy of the Application and a draft of this Agreement; and

WHEREAS, the Council, by Ordinance No. _____, passed on _____, 2025, has approved the terms of this Agreement and authorized its execution on behalf of the City; and

NOW, THEREFORE, in consideration of the mutual covenants hereinafter contained and the benefit to be derived by the parties from the execution hereof, the receipt and sufficiency of which are hereby acknowledged, the parties herein agree as follows:

1. Good Faith Estimates of Project Costs. The cost of the investments to be made in connection with the Project by the Developer, inclusive of portions of the Project that may not be eligible for or receive a CRA Exemption, is estimated to be at least forty five million five hundred thousand dollars (\$45,500,000) (the “Minimum Investment”). The assumptions and estimates provided in this Section 1 are good faith estimates provided by the Developer and shall not be construed in a manner that would limit the amount or term of the tax exemption provided in this Agreement. The parties to this Agreement recognize that the costs associated with the Project may increase or decrease significantly and do not necessarily equal otherwise taxable value. As of the Effective Date, Developer does not have machinery, equipment, furniture, fixtures or inventory at the Project. The parties further recognize and agree that the Developer’s failure to make the Minimum Investment at the Project Site shall be considered a material failure of Developer to fulfill its obligations under this Agreement, which material failure may result in termination, suspension, or modification of the exemption from real property taxation granted under this Agreement.

2. Project Schedule. The scheduled estimated starting month for the Project investments to be made in building, machinery, equipment, furniture, fixtures and/or inventory is approximately December 2026; and the scheduled estimated completion month for such investments is no later than approximately December 31, 2028. The Developer’s failure to complete the Project by December 31, 2028 shall be considered a material failure of Developer to

fulfill its obligations under this Agreement, which material failure may result in termination, suspension, or modification of the exemption from real property taxation granted under this Agreement.

3. Good Faith Estimates of Project Job Creation. The Developer estimates that there will be created at the Project Site approximately ☐ full-time permanent employee positions with an aggregate annual payroll of approximately \$ upon full build-out of the Project, and ☐ part-time or temporary positions. Hiring of such employees is estimated to commence in in the first calendar quarter of 20 and to continue incrementally over the succeeding three (3) years. As of the Effective Date, the Developer has zero (0) employees at the Project Site; therefore, no employee positions will be retained by the Developer in connection with the Project. The estimates provided in this Section are good faith estimates and shall not be construed in a manner that would limit the amount or term of the tax exemptions provided in this Agreement, except as defined in Section 11 herein. The parties recognize that the employment and payroll estimates associated with the Project may increase or decrease significantly.

4. Provision of Information. Each Owner shall provide or cause to be provided to the applicable tax incentive review council (the "TIRC") and community reinvestment area housing council ("Housing Council") any information reasonably required by the TIRC and/or the Housing Council to evaluate the compliance of such Owner with the Agreement, if requested by the TIRC and/or the Housing Council, and each Owner shall provide or cause to be provided any information reasonably necessary for the applicable TIRC to make the determinations required under R.C. Section 5709.85 and to evaluate such Owner's compliance with this Agreement, including returns filed pursuant to R.C. Sections 5711.02, 5711.13 and 5727.08 if requested by the applicable TIRC. Upon the request of the applicable TIRC, each Owner shall provide the applicable TIRC any information reasonably necessary to perform its review with the nondiscriminatory hiring policies developed by the City under R.C. Section 5709.832.

Per R.C. Section 5709.85, annually the TIRC shall review the terms of this Agreement, and any Assignment and Assumption Agreement, and shall review any performance or audit reports required to be submitted pursuant to this Agreement or any Assignment and Assumption Agreement. On the basis of such review, the TIRC shall submit to the City a written recommendation for continuation, modification, or cancellation of such Agreement or Assignment and Assumption Agreement and, if applicable, the repayment of any already-received CRA Exemption benefits. In making its written recommendation, the TIRC may take into consideration (a) any fluctuations in the business cycle unique to the Owner's business, (b) the effect of local and regional market conditions on the Owner, (c) whether the Owner or parties that have assumed the obligations of the Owner have, collectively, satisfied the job creation and other obligations contained in this Agreement, (d) whether an Event of Default (as such term is defined below) has occurred and not been cured, and (e) if a CRA Exemption is otherwise subject to modification or cancellation pursuant to Section 11 herein. The City shall hold a meeting within sixty days of receipt of the annual written recommendations to vote to accept, reject, or modify all or any portion of the recommendations. In voting on whether to accept, reject, or modify all or any portion of the TIRC's recommendations, the City may take into consideration those factors outlined in (a) through (e) of this paragraph. Notwithstanding any of the foregoing, the City agrees that the remedies outlined in the last paragraph of Section 11(C) and in Section 11(D) of this Agreement shall not be available unless the City received a written recommendation from the TIRC for

modification or cancelation of this Agreement or any Assumption Agreement for two (2) consecutive years at to a particular Building.

5. Real Property Tax CRA Exemption. The City hereby grants a ten (10) year, fifty percent (50%) real property tax exemption pursuant to R.C. Section 3735.67 for the assessed value of new structures at the Project Site. For each separately identifiable real property improvement, the exemption commences the first year such real property improvement would first be taxable were that property not hereby exempted from taxation. No exemption shall commence after tax year 2029 (i.e., tax lien date January 1, 2029) nor extend beyond tax year 2038 (i.e., tax lien date January 1, 2038). Although exemption under this Agreement for any separately identifiable real property improvement lasts for only ten (10) years, the real property exemption period for the Project as a whole is expected to last more than ten (10) years. If a Building is constructed as a phased development and an expansion to a Building occurs after tax year 2029 (i.e., tax lien date January 1, 2029), the City agrees to work in good faith with the applicable Developer or Owner to provide a real property tax exemption for such expansion. The exemptions set forth in this Section shall apply irrespective of whether the real property is owned by an Owner, or by another entity or other entities in accordance with this Agreement.

6. Application for Exemption. The Owners acknowledge that the tax exemption with respect to each real property improvement is subject to the filing of a real property tax exemption application with the Housing Officer designated by the City for the CRA following the completion of construction of that real property improvement. The City agrees that upon receipt of the real property tax exemption application the Housing Officer shall certify the tax exemption to the Knox County Auditor.

7. Obligation of Owner. The Owner of each Building shall pay or cause to be paid such real property taxes as are not exempt under this Agreement and are charged against such property and shall file all tax reports and returns as required by law. If the Owner of a Building fails to pay such taxes or file such returns and reports, the exemption from taxation granted under this Agreement with respect to such Building is rescinded beginning with the year for which such taxes are charged or such reports or returns are required to be filed and thereafter, provided that such failure is not corrected within thirty (30) days after written notice thereof is received by the Owner of the Building.

8. Obligations of the City. The City shall perform such acts as are reasonably necessary or appropriate to effect, claim, reserve, and maintain the exemption from taxation granted under this Agreement including, without limitation, joining in the execution of all documentation and providing any necessary certificates required in connection with that exemption.

9. Continuation of CRA. If for any reason the City revokes its designation of the CRA, or the Director of the Ohio Department of Development revokes certification of the CRA containing the Project Site, entitlements granted under this Agreement shall continue for the number of years specified under this Agreement, unless the Owner materially fails to fulfill its obligations under this Agreement and the City terminates or modifies the exemption from taxation granted pursuant to this Agreement with respect to such Building. Any such termination or modification, as provided in this Section, shall have no effect on exemptions from taxation granted in this Agreement with respect to property of Owners other than such defaulting Owner(s). Except

for any amendment, revocation, modification, suspension or termination otherwise permitted under this Agreement, the City agrees that it will not amend or revoke the CRA designation as to the Project Site, or modify the incentives available under that designation for the Project Site, prior to 2038.

10. Certification as to No Delinquent Taxes. Developer hereby certifies for itself that at the time this Agreement is executed, (i) it does not owe any delinquent real or tangible personal property taxes to any taxing authority of the State and does not owe delinquent taxes for which it is liable under Chapter 5733, 5735, 5739, 5741, 5743, 5747, or 5753 of the Revised Code, or, if such delinquent taxes are owed, it is currently paying the delinquent taxes pursuant to an undertaking enforceable by the State or an agent or instrumentality thereof, (ii) it has not filed a petition in bankruptcy under 11 U.S.C.A. 101, et seq., and (iii) no such petition has been filed against it. For the purposes of this certification, delinquent taxes are taxes that remain unpaid on the latest day prescribed for payment without penalty under the chapter of the Ohio Revised Code governing payment of those taxes. Each Owner shall make the same certification as that made by the Developer in this Section in any Assignment and Assumption Agreement.

11. Events of Default and Remedies.

A. Events of Default. Any one or more of the following constitutes an “Event of Default” under this Agreement:

(i) Developer, any Owner, or the City fails to perform or observe any material obligation punctually and as due under this Agreement, provided that if a Force Majeure (as such term is defined below) event causes the failure, Developer, any Owner, or the City may receive an additional period of time as is reasonably necessary to perform or observe the material obligation in light of the event if it notifies the other of the potential event and the extent of the delay promptly after becoming aware of the event;

(ii) Developer, any Owner, or the City makes a representation or warranty in this Agreement that is materially false or misleading at the time it is made;

(iii) Developer or any Owner files a petition for the appointment of a receiver or a trustee with respect to it or any of its property;

(iv) Developer or any Owner makes a general assignment for the benefit of creditors;

(v) A court enters an order for relief pursuant to any Chapter of Title 11 of the U.S. Code, as the same may be amended from time to time, with Developer or any Owner as debtor;

(vi) Developer or any Owner files an insolvency proceeding with respect to itself or any proceeding with respect to itself for compromise, adjustment or other relief under the laws of any country or state relating to the relief of debtors.

As used in this Section, “Force Majeure” means any event that is not within the control of a party or its affiliates, employees, contractors, subcontractors or material

suppliers that delays performance of any obligation under this Agreement including, but not limited to, the following acts: acts of God; fires; epidemics; pandemics; landslides; floods; strikes; lockouts or other industrial disturbances; acts of public enemies; acts or orders of any kind of any governmental authority; insurrections; riots; civil disturbances; arrests; explosions; breakage or malfunctions of or accidents to machinery, transmission pipes or canals; partial or entire failures of utilities; shortages of labor, materials, supplies or transportation; lightning, earthquakes, hurricanes, tornadoes, storms or droughts; periods of unusually inclement weather or excessive precipitation; or orders or restraints of any kind of the government of the United States or of the State (and in the case of a Force Majeure claim by a Developer or any Owner, the City or any departments, agencies, political subdivisions or officials that are not in response to a violation of law or regulations).

B. General Right to Cure. In the event of any Event of Default in or breach of this Agreement, or any of its terms or conditions, by any party hereto, the defaulting party will, upon written notice from the other, proceed, as soon as reasonably possible, to cure or remedy such Event of Default or breach, and, in any event, within thirty (30) days after receipt of such notice. In the event such Event of Default or breach is of such nature that it cannot be cured or remedied within said thirty (30) day period, then in such event, the defaulting party will upon written notice from the other commence its actions to cure or remedy said breach within said thirty (30) day period, and proceed diligently thereafter to cure or remedy said breach.

C. Remedies. If a defaulting party fails to cure any Event of Default pursuant to paragraph (B) of this Section, a party may institute such proceedings against the defaulting party as may be necessary or desirable in its opinion to cure and remedy such default or breach. Such remedies include, but are not limited to: (i) instituting proceedings to compel specific performance by the defaulting party, and (ii) suspending or terminating the obligations of the non-defaulting party under this Agreement, provided the aggrieved party must provide thirty (30) days notice of any termination to the defaulting party and provided further that the aggrieved party must rescind the termination notice and not terminate the Agreement if the defaulting party cures all Events of Default within a reasonable time thereafter. The obligations of the City may be enforced to the extent permitted by law by mandamus or any suit or proceeding in law or equity. Notwithstanding the above, the parties hereto acknowledge the Developer, or its affiliate, is under contract to purchase or intends to acquire the Project Site. Developer's failure to conclude the purchase of the Project Site for any reason shall not be considered a default. And, in such case, this Agreement shall be null and void and neither party shall have any further obligation to the other.

If a defaulting party fails to cure any Event of Default pursuant to paragraph (B) of this Section, other than with respect to the total investment associated with the Project, and the TIRC has made a recommendation to the City to modify or cancel any of the CRA Exemption granted by this Agreement under R.C. Section 5709.85 or pursuant to this Agreement, or if the City determines that the certification as to delinquent taxes required by this Agreement is fraudulent, the City may modify or cancel the exemptions from taxation granted under the Agreement with respect to property of the Owner which is in

such default or has made such fraudulent certification, from the date of the Event of Default or fraudulent certification.

D. Additional Remedies for Cessation of Operation or Failure to Achieve Job Creation and Payroll Estimates. In addition to any other remedy, if any Owner or operator of a Building ceases operations at a Building with a CRA Exemption for a period of two or more consecutive years (a “Cessation”), the City may thereafter cancel the CRA Exemption as to such Building and require the repayment of the amount of taxes that would have been payable with respect to such Building on the Project Site had such Building not been exempt from taxation under this Agreement, from the date of the Cessation; provided, however, that the City shall not cancel or require repayment with respect to any temporary cessation of operations at any Building within the Project Site during a period while an Owner or operator of a Building is proceeding with due diligence in the remodeling of a substantial portion of the Building to accommodate end-occupant uses.

If the TIRC recommends, and the City votes to require, the repayment of any already-received CRA Exemption benefits, the City shall direct the Knox County Auditor to strike the relevant portions of the relevant parcels from the exempt list in accordance with R.C. Section 5713.08. The Knox County Auditor shall certify, as an additional charge on the property, the amount of the already received CRA Exemption benefits to the Knox County Treasurer for the applicable years as recommended by the TIRC and voted by the City Council. The Knox County Treasurer shall collect such amount in the manner prescribed by law for the collection of delinquent taxes.

The City may secure repayment of the amount of such already-received CRA Exemption benefits that are to be repaid by a lien on the Parcel and Building in the amount required to be repaid. Such lien may attach, and may be perfected, collected, and enforced, in the same manner as a mortgage lien on real property, and shall otherwise have the same force and effect as a mortgage lien on real property. In the event that a mortgage lien is unable to be perfected or enforced against the applicable real property, the City may either enforce its mortgage lien or, in lieu thereof, may direct the County Auditor to certify, as an additional charge on the property, any amount to be repaid to the County Treasurer as delinquent taxes and the County Treasurer shall collect such amount in the manner prescribed by law for the collection of delinquent taxes.

E. Any termination or modification of a CRA Exemption as provided in this Section 11 shall have no effect on CRA Exemptions granted under this Agreement with respect to property of the Owners other than the defaulting Owner.

12. Approval by the City. The Owners and the City acknowledge that this Agreement must be approved by formal actions of the legislative authority of the City as a condition for this Agreement to take effect. This Agreement takes effect upon such approval. Because this Agreement was approved by Ordinance No. 2025-____ of the Council on _____, 2025, this Agreement shall be effective immediately upon its execution.

13. Non-Discriminatory Hiring. By executing this Agreement, the Owners are committing to non-discriminating hiring practices, acknowledging that no individual may be

denied employment solely on the basis of race, religion, sex, disability, color, national origin, or ancestry.

14. Revocation of Exemptions. Exemptions from taxation granted under this Agreement shall be revoked with respect to an Owner if it is determined that such violating Owner, any successor enterprise to such violating Owner, or any related member of such violating Owner (as those terms are defined in R.C. Section 3735.671(C)) has violated the prohibition against entering into the Agreement under Division (C) of Section 3735.671 or Section 5709.62 or 5709.63 of the Ohio Revised Code prior to the time prescribed by that division or either of those sections. Any such revocation, as provided in this Section, shall have no effect on exemptions from taxation granted under this Agreement with respect to property of Owner(s) other than such violating Owner(s).

15. Transfer and/or Assignment; Release from Liability. Except as provided below, this Agreement and the benefits and obligations thereof are not transferable or assignable without the express, written approval of the Mayor, which approval shall not be unreasonably withheld or delayed. The City hereby approves the transfer and/or assignment of this Agreement and the benefits and obligations hereof to any entity controlling, controlled by, or under common control with the Developer and (i) in which the Developer has at least 50% direct or indirect ownership; (ii) that has at least 50% direct or indirect ownership of the Developer; (iii) that shares at least 50% direct or indirect common ownership with the Developer; or (iv) Developer or its affiliate serves as managing member (a “Developer Transferee”). The City shall retain the right to consider the approval of the transfer and/or assignment of this Agreement and the benefits and obligations hereof, which approval shall not be unreasonably withheld or delayed, to any person or entity other than the Developer or a Developer Transferee, which is a transferee by lease, sale and/or other means of transfer of all or any part of a Building or the Project Site (a “Third-Party Transferee”) (such transferred property may be referred to hereinafter as the “Transferred Property”). Provided, however, that as a condition to the right to receive tax exemptions as set forth in this Agreement, each Developer Transferee or Third-Party Transferee shall execute and deliver to the City an Assignment and Assumption Agreement in substantially one of the forms attached hereto as Exhibit C.1 and Exhibit C.2, wherein such Developer Transferee or Third-Party Transferee (i) assumes all obligations of the Developer under this Agreement with respect to the Transferred Property, and (ii) certifies to the validity, as to the Developer Transferee or Third-Party Transferee, of the representations, warranties and covenants contained herein and in the Assignment and Assumption Agreement. Upon the receipt by the City of such Assignment and Assumption Agreement, as to the Transferred Property the Developer Transferee or Third-Party Transferee shall have all entitlements and rights to tax exemptions and obligations as an “Owner” under this Agreement, in the same manner and with like effect as if the Developer Transferee or Third-Party Transferee had been the original Developer and a signatory to this Agreement. The City agrees to execute each such Assignment and Assumption Agreement and to deliver an original thereof to the Developer Transferee or Third-Party Transferee.

16. Counterparts. This Agreement may be signed in one or more counterparts or duplicate signature pages with the same force and effect as if all required signatures were contained in a single original instrument. Any one or more of such counterparts or duplicate signature pages may be removed from any one or more original copies of this Agreement and annexed to other counterparts or duplicate signature pages to form a completely executed original instrument.

17. Severability; Construction; Headings. If any provision of this Agreement or the application of any such provision to any such person or any circumstance shall be determined to be invalid or unenforceable, then such determination shall not affect any other provision of this Agreement or the application of such provision to any other person or circumstance, all of which other provisions shall remain in full force and effect. If any provision of this Agreement is capable of two constructions one of which would render the provision valid, then such provision shall have the meaning which renders it valid. The captions and headings in this Agreement are for convenience only and in no way define, limit, prescribe or modify the meaning, scope or intent of any provisions hereof.

18. Validity. The City covenant and agree that it is prohibited from challenging the validity of this Agreement or the CRA. In that regard, the City waives any defects in any proceedings related to the CRA or this Agreement. If the validity of the CRA or this Agreement is challenged by any entity or individual, whether private or public, the City shall advocate diligently and in good faith in support of the validity of the CRA and this Agreement.

19. Modifications. If it becomes necessary to modify the terms of this Agreement to reflect the exact legal and financing structure used by the Owners in developing, equipping, and operating the Project, the Owners shall request an amendment to this Agreement.

20. Notices. Any notices, statements, acknowledgements, consents, approvals, certificates or requests required to be given on behalf of any party to this Agreement shall be made in writing addressed as follows and sent by (i) registered or certified mail, return receipt requested, and shall be deemed delivered when the return receipt is signed, refused or unclaimed, (ii) by nationally recognized overnight delivery courier service and shall be deemed delivered the next business day after acceptance by the courier service with instructions for next-business-day delivery, or (iii) by facsimile transmission and shall be deemed delivered upon receipt of confirmation of transmission:

21. R.C. Section 9.66 Covenants. Each of the Owners affirmatively covenants that it has made no false statements to the State or any local political subdivision in the process of obtaining approval of the CRA Exemption; and that it does not owe: (i) any delinquent taxes to the State or a political subdivision of the State; (ii) any moneys to the State or a State agency for the administration or enforcement of any environmental laws of the State; and (iii) any other moneys to the State, a State agency or a political subdivision of the State that are past due, whether the amounts owed are being contested in a court of law or not. If any representative of any of the Owners has knowingly made a false statement to the State or any local political subdivision to obtain the CRA Exemption, such Owner shall be required to immediately return all benefits received by it under this Agreement pursuant to R.C. Section 9.66(C)(2) and such Owner shall be ineligible for any future economic development assistance from the State, any State agency or a political subdivision pursuant to R.C. Section 9.66(C)(1). Any person who provides a false statement to secure economic development assistance may be guilty of falsification, a misdemeanor of the first degree, pursuant to R.C. Section 2921.13(D)(1), which is punishable by a fine of not more than \$1,000 and/or a term of imprisonment of not more than six (6) months. Any such requirement to return benefits under this Agreement, and/or ineligibility for future economic development assistance, as provided in this Section, shall have no applicability to nor effect on Owner(s) other than such violating Owner(s).

22. Local Support. During the term of the CRA Exemption, Developer shall contribute \$[____], in the aggregate, annually to the Area Development Foundation, Inc. (“ADF”) to support the economic development efforts in the community. Developer’s failure to comply with this Section shall be considered a material failure of Developer to fulfill its obligations under this Agreement; provided, however, Developer shall have thirty (30) days after written notice of such failure to Developer to correct such failure.

23. Petition to Add Project Site to Mount Vernon New Community Authority. As a condition precedent to the granting of the CRA Exemption, the Developer consents to and shall cooperate with petitioning the City and the Mount Vernon New Community Authority (the “NCA”) to add the Project Site to the territory of the NCA under the conditions mutually agreed upon by the City and the Developer. The Developer agrees to pay \$[____] for the legal expenses of the NCA associated with adding the Project Site to the territory of the NCA, upon acceptance of the Project Site to the territory of the NCA by Council.

24. Estoppel Certificate. Upon request of an Owner, the City shall execute and deliver to the Owner or any proposed purchaser, mortgagee or lessee a certificate stating: (a) that the Agreement is in full force and effect, if the same is true; (b) that the Owner is not in default under

any of the terms, covenants or conditions of the Agreement, or if the Owner is in default, specifying same; and (c) such other matters as the Owner reasonably requests.

25. Entire Agreement. This Agreement and the Ordinance constitute the entire agreement between the Developer and the City pertaining to the subject matter contained herein and therein and supersede all other prior or contemporaneous agreements or understandings between the Developer and the City in connection with such subject matter.

26. Valuation Challenges. The Developer, on behalf of itself and all future Owners, agrees that it shall not initiate proceedings pursuant to R.C. Section 5715.19 for any portion of the Project for any tax year in which that portion of the Project is subject to exemption under this Agreement unless it provides the School District with notice at least twenty (20) days prior to the initiation of such proceedings.

PARTIAL ASSIGNMENT AND ASSUMPTION AGREEMENT

This PARTIAL ASSIGNMENT AND ASSUMPTION AGREEMENT (the “Agreement”) is made and entered into by and between the City of Mount Vernon, Ohio (the “City”), a municipal corporation and political subdivision of the State of Ohio, through the Mount Vernon City Council (the “Council”); _____, a _____ (the “Company”) and _____, a _____ (the “Successor”). Except as otherwise provided herein, capitalized terms used herein shall have the same meanings as in the Community Reinvestment Area Agreement between Founders Grove, LLC (the “Developer”) and the City, dated _____, 2025 (the “CRA Agreement,” a copy of which is attached hereto as Exhibit A and incorporated herein).

WITNESSETH:

WHEREAS, the City, through Ordinance No. 2021-39, adopted October 25, 2021, as amended by Ordinance No. 2022-09, adopted February 14, 2022, and as amended by Ordinance No. 2023-27, adopted July 10, 2023, (the “CRA Legislation”), designated the area specified in the CRA Legislation as the Mount Vernon Community Reinvestment Area (the “CRA”) pursuant to Ohio Revised Code (“R.C.”) Sections 3735.65 through 3735.70 (the “CRA Act”), and authorized a real property tax exemption for the construction of new structures and the remodeling of existing structures in the CRA in accordance with the CRA Act; and

WHEREAS, on _____, 2025 the Company and the City entered into the CRA Agreement, concerning the development of six 8-housing unit apartment buildings and 108 housing units composed of 2-unit, 4-unit, and 6-unit villas, together with appurtenances thereto, at the Project Site as defined in the CRA Agreement (as particularly described in Exhibit A to the CRA Agreement); and

WHEREAS, by virtue of that certain _____ dated as of _____, 20__ (the “Transfer Instrument”), a copy of which is attached hereto as Exhibit B, the Successor has succeeded on _____, 20__ (the “Transfer Date”) to the interest of the Company (or a successor to the Company) in all or part of the Project Site or a Building at the Project Site (such transferred property may be referred to hereinafter as the “Transferred Property”); the Transferred Property acquired or leased by the Successor is identified in the Transfer Instrument; and

WHEREAS, the Successor wishes to obtain the benefits of the CRA Agreement, and, as agreed in the CRA Agreement, the City is willing to make these benefits available to the Successor on the terms set forth in the CRA Agreement as long as the Successor executes this Agreement [and the Developer acknowledges its continued obligations under the CRA Agreement NOTE: the

preceding language should be included only if Developer continues to own property at the Project Site].

NOW, THEREFORE, in consideration of the circumstances described above, the covenants contained in the CRA Agreement, and the benefit to be derived by the Successor from the execution hereof, the parties hereto agree as follows:

1. From and after the Transfer Date, the Company hereby assigns (a) all of the obligations, agreements, covenants and restrictions set forth in the CRA Agreement to be performed and observed by Company with respect to the Transferred Property, and (b) all of the benefits of the CRA Agreement with respect to the Transferred Property. From and after the Transfer Date, the Successor hereby (i) agrees to be bound by, assume and perform, or ensure the performance of, all of the obligations, agreements, covenants and restrictions set forth in the CRA Agreement to be performed and observed by the Company with respect to the Transferred Property; and (ii) certifies to the validity, as to the Successor as of the date of this Agreement, of all of the representations, warranties and covenants made by or required of the Company that are contained in the CRA Agreement. Such obligations, agreements, covenants, restrictions, representations, and warranties include, but are not limited to, those contained in the following Sections of the CRA Agreement: Section 1 (“Project”), Section 3 (“Employee Positions”), Section 4 (“Provision of Information”), Section 6 (“Application for Exemption”), Section 7 (“Payment of Non-Exempt Taxes”), Section 10 (“Certification as to No Delinquent Taxes”), Section 13 (“Non-Discriminatory Hiring”), Section 18 (“Validity”), Section 21 (“R.C. Section 9.66 Covenants”), and Section 22 (“Local Support”).

2.
