City agrees that Constellation will be the exclusive provider of retail natural gas supply services for the Aggregation Group during the Term.

3. TERM. This Agreement shall commence on the Effective Date and, unless terminated earlier as otherwise provided in this Agreement, will continue for a period of twelve (12) months (the “**Term**”). Upon expiration of the Term, this Agreement may be extended upon the mutual agreement of the Parties. City shall have the right to begin negotiations with Constellation and other natural gas suppliers during the Term to ensure a seamless transition and continuation of the Governmental Aggregation Program at the end of the Term. If City chooses a new supplier during the Term as the gas supplier for a following term, Constellation shall cooperate with City and the new supplier in a timely manner to provide a list of Customers, who according to Constellation’s records are participating in the Governmental Aggregation Program at

the time such request is made. The City will have the right to contract with a new supplier during the Term, but only for natural gas flow following the Term.

4. CONSTELLATION SCOPE OF WORK.

(a) Constellation is responsible for obtaining an Eligible Consumer list from the Utility and/or any other source Constellation deems appropriate. City will cooperate with Constellation to assemble and verify the Eligible Consumer list. City will share its resources to help mitigate the cost of assembling and verifying the Eligible Consumer list, including giving notice to the previous supplier of its intent to retain Constellation for the Governmental Aggregation Program and obtaining the list of Eligible Consumers who, according to the previous supplier's records, are participating in the Governmental Aggregation Program at the time such request is made. (c) Constellation shall send one (1) opt-out mailing to Eligible Consumers regarding participation in the Governmental Aggregation Program. Constellation and City may mutually agree to send additional mailings.

(d) The addition of Aggregation Members after the initial opt-out period established by Constellation shall be in the sole discretion of Constellation. Aggregation Members that move from one physical address or meter location to another within the City may continue to participate in the Governmental Aggregation Program by contacting Constellation and providing reasonable notice of move and other relevant information needed by Constellation to verify such move.

(e) Constellation shall be responsible for the payment of any switching fee imposed by the Utility resulting from an Aggregation Member's switch to Constellation in connection with participation in the Governmental Aggregation Program.

(f) In the event PUCO requires information or documents from the City regarding the Governmental Aggregation Program, Constellation agrees to assist in compiling such information to the extent Constellation has access to such information.

(g) If at any time during this agreement City approves opt-in aggregation, the Parties will work together to implement a mutually agreeable opt-in program for all Eligible Consumers within the City. If City and Constellation agree to implement an opt-in aggregation program, City will exclusively endorse Constellation for such opt-in aggregation program.

5. CONSTELLATION NATURAL GAS SUPPLY OFFER(S). Constellation shall make the following offer available to Eligible Consumers during the Initial Enrollment Period.

During the Term, in order to determine the monthly rate per Ccf for Aggregation Members, Constellation shall use the NYMEX close on the 19th day of the month for the applicable gas flow month plus a fixed adder of \$0. per Ccf unless the City Triggers a fixed NYMEX price. City hereby represents and warrants that it is authorized to act as agent regarding natural gas pricing decisions for all Aggregation Members. As authorized agent, City can request to Trigger the NYMEX price for the remaining months of the Term at any time; provided, however that City may only Trigger a NYMEX price once for each month of the Term (e.g., multiple Triggers may not be executed for one month, but City may choose to Trigger at different times for different months). If the NYMEX price is fixed at any time pursuant to such a request by City, Constellation shall determine the monthly rate per Ccf by using such fixed NYMEX price for the applicable gas flow month plus a fixed adder of \$0. per Ccf. Aggregation Members will not be charged an early termination fee by Constellation for leaving the program prior to the end of the Term.

6. NATURAL GAS SUPPLY SERVICE. Constellation will supply natural gas to the Aggregation Group in accordance with the General Terms and Conditions of service (that will be substantially in the form attached hereto as Exhibit A) and all applicable rules and regulations, including applicable PUCO and Utility rules. Constellation will deliver natural gas to the Delivery Point. Title and risk of loss related to the natural gas transfer to the Aggregation Member at the Delivery Point, and the Aggregation Member is responsible for all transmission, distribution, and other costs (including taxes and other fees) related to the final delivery to the facilities to which the natural gas account(s) relate as well as the Aggregation Member's use of the natural gas. While Constellation will arrange for the delivery of natural gas to the Aggregation Member by the Utility, Constellation will have no liability or responsibility for matters within the control of the Utility, which include maintenance of pipelines and systems, service interruptions, loss of service, quality of the natural gas, deterioration of services, or meter readings.

7. ELIGIBLE CONSUMER INFORMATION. City will provide authorization and documentation in order for the Utility to release to Constellation any necessary load forecast information and Eligible Consumer information.

8. USE OF CITY'S NAME AND LOGO. City hereby agrees to allow Constellation to use City's name and logo (if any) in any and all enrollment materials (including electronic media and Internet) and press releases for publicity and/or marketing purposes. The City will have the right to review and approve all such materials that utilize the City's name and/or logo prior to distribution. Additionally, City authorizes Constellation to represent that Constellation is the City's

exclusive provider of retail natural gas supply for the term of this Agreement. City shall not release any promotional material referencing Constellation (including press releases) without Constellation's prior approval.

9. TERMINATION. Upon the occurrence of a Regulatory Event, the adversely affected Party shall give notice to the other Party that a Regulatory Event has occurred. Upon such notice, the Parties shall enter into negotiations to amend or replace this Agreement so that the adversely affected Party is restored as nearly as possible to the economic positions it would have been in but for the occurrence of the Regulatory Event. If the Parties are unable to agree upon an amendment to the Agreement within sixty (60) days, the adversely affected Party shall have the right, upon fifteen (15) days written notice, to terminate this Agreement. The following events constitute a "Regulatory Event":

(i) Illegality. If, due to the adoption of, or change in, any applicable law, or in the interpretation of any applicable law by any judicial or governmental authority with competent jurisdiction, it becomes unlawful for a Party to perform any obligation under this Agreement.

(ii) Adverse Government Action. If (a) any regulatory agency or court having jurisdiction over the Agreement requires a material change to the terms of the Agreement that adversely and materially affects a Party, or (b) there is any regulatory or judicial action that adversely impacts a Party's performance of any of its obligations under the Agreement.

10. FORCE MAJEURE. "Force Majeure" means an event that is not within the reasonable control of the Party claiming Force Majeure ("Claiming Party"), and that by the exercise of due diligence, the Claiming Party is unable to overcome in a commercially reasonable manner, and such event will not be deemed a breach or default under this Agreement. Force Majeure includes, but is not limited to, acts of God; fire; war; terrorism; flood; earthquake; civil disturbance; sabotage; facility failure; curtailment, disruption or interruption of firm transportation service by the transporter (including without limitation as the result of an operational flow order) or supply into Constellation's supply pools; declaration of emergency by the Utility; regulatory, administrative, or legislative action, or action or restraint by court order or governmental authority; or any act or omission of a third party not under the control of the Claiming Party (including without limitation the Utility). Notwithstanding any other provision of this Agreement, where a Party is unable to carry out any obligation under this Agreement due to a Force Majeure event (other than a payment obligation, which will not be excused for Force Majeure), this Agreement will remain in effect but such obligation will be suspended for the period necessary as a result of the Force Majeure, provided that: (i) to the extent reasonably possible, the Claiming Party gives the other Party prompt written notice describing the particulars of the Force Majeure, including but not limited to, the nature and date of the occurrence and the expected duration of the Force Majeure; (ii) the suspension of performance is of no greater scope and of no longer duration than is required by the Force Majeure; and (iii) the Claiming Party uses commercially reasonable efforts to remedy its inability to perform.

11. CHOICE OF LAW; ATTORNEY FEES AND EXPENSES. The validity, performance, and construction of this Agreement will be governed and interpreted in accordance with the laws of Ohio, without giving effect to conflict of law principles. EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY ACTION, SUIT OR PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. If either Party pursues court action to enforce its rights under this Agreement, the non-prevailing Party shall promptly reimburse the prevailing Party for all its reasonable attorney fees, expenses and costs.

12. ASSIGNMENT. Neither Party may assign its rights or obligations under this Agreement without written consent from the other party; provided, however, Constellation may assign any of its rights and obligations under this Agreement without consent to an Affiliate or to any person or entity succeeding to all or substantially all of Constellation's assets or business or the division or region of Constellation to which this Agreement relates or into which Constellation is merged or otherwise combined or reorganized; provided the succeeding entity agrees to be bound to this Agreement.

13. ENTIRE AGREEMENT; AMENDMENT. This Agreement embodies the Parties' entire agreement and understanding, supersedes all prior agreements and understandings (whether written or oral) regarding the subject matter of this Agreement, and may not be contradicted by any prior or contemporaneous oral or written agreement. A facsimile copy of either Party's signature will be considered an original for all purposes under this Agreement, and each Party will provide its original signature upon request. No amendment to this Agreement will be valid or given any effect unless signed by both Parties. Any alteration, addition, or modification made by Association to the preprinted terms of this Agreement shall be void and without any effect. The section headings used in this Agreement are for reference purposes only and will in no way affect the meaning of the provisions of this Agreement.

14. WAIVER AND SEVERABILITY. Failure to provide notice of, or object to, any default under this Agreement will not operate or be construed as a waiver of any future default, whether like or different in character. If any portion of this Agreement, or application thereof to any person or circumstance, is held legally invalid, the remainder will not be affected and will be valid and enforced to the fullest extent permitted by law and equity, and there will be deemed substituted for the invalid provisions such provisions as will most nearly carry out the mutual intent of the Parties as expressed in this Agreement to the fullest extent permitted by applicable Law.

15. NOTICES.
