June 5, 2025

ATTN: Brian Ball, City Engineer
40 Public Square
Mount Vernon, OH 43050

Dear Mr. Ball,

As the current residents of the Liberty Crossing subdivision, we are petitioning the City of Mount Vernon to enter into a post-construction stormwater management facility operation and maintenance agreement for the purposes of managing the private stormwater assets that currently exist in our subdivisions. Attached is a list of residents with their signatures to show our commitment to upholding this agreement with the City of Mount Vernon.

We grant access to our properties to the City of Mount Vernon to maintain the Stormwater Management facilities, pursuant to the approved Stormwater Management Plan and all other applicable laws, statutes, ordinances, and regulations.

Sincerely,

The residents of Liberty Crossing subdivision
